Haveli Anirudh nestles amongst Aamla (gooseberry) plantation, flowering trees which include Jacaranda, Amaltas and Gulmohar, and natural flora like acacia trees, very close to Jaipur towards Ajmer, in the heart of Rajasthan, home of the Ancient Aravali mountains, which can be seen at a distance towards the west where the sun sets.

There are two suites and five spacious rooms adorned with period furniture, traditional furnishings and contemporary and folk art work designed to give you an experience of a lifetime.

The Haveli is situated in a property spread over 24 acres of forested land, and features 7 bedrooms with attached bathrooms, wifi, fully equipped kitchen, a large swimming pool, bar area and entertainment spaces with a home theatre system and a library (the latter two to be commissioned soon). In addition, it also offers picturesque views of the neighbouring countryside, with the gorgeous hues of the rising and setting sun an experience to remember.

Camel rides, day trips to neighbouring Bagru (town) famous for its art of block printing, and local

home cooked cuisine can also be arranged upon request. Haveli Anirudh is an inward looking building in the old Haveli architectural style with several inner chowks, much of it built in stone and lime masonry with *stone patti* ceilings and natural sandstone used extensively in flooring. Very intricately hand carved filigreed stone screens

(Jalis) have been used extensively. Period furniture adorns the rooms and common spaces. There has been an extensive use of skylights and wide windows bring in natural light and air in all the rooms and common spaces in the building. Antique doors and venetian blinds adorned wooden windows add elegance add beauty to the Haveli.

Growing up, one harbours many fantasies.

Fantasies about people, places, lifestyle etc. Many of these grow and become ones passion as one grows up. Not so uncommon is a dream destination amidst nature. Not too far from the heritage city of Jaipur, Haveli Anirudh is a miracle. It is a mirage which can become a reality for all those who live in it, even if for short periods. Conveniently located but nestled within a forested area, the long driveway from the main gate to the Haveli is spellbinding.

The astounding architecture is so mesmerising that one is reminded of all those imposing pieces of built heritage which have left an indelible mark on the soul of all those who have dwelt in it or passed through it. Beautiful courtyard, spacious rooms, furniture well picked and placed, the art, it's all so poetic. Simple but sumptuous food, modern facilities and the

legendary Rajasthani hospitality, provide the guests with a unique holiday experience.

*Haveli Anirudh is the new address for peace and luxury.*
